Standard Guarantee of the American Shorthorn Breeders' Association

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's Disease of the state or country into which they may be shipped.
6. Certificates of registry and transfers will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.
7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off.

Left—A pair we are proud of, Elaine Lehnert, eight years old, is shown here with the grand champion female at the 1948 Ohio State Sale.

A Top Offering . . .

A testimonial statement seems almost unnecessary in this catalog because the pictures and pedigrees contained in it tell a much more convincing story than possibly can be told by words. Those who have studied the pictures will agree that this is one of the top offerings of the year and those who inspect the cattle on sale day will agree that they are every bit as good as the pictures portray them.

The cattle in this sale have been supplied by real cattlemen. Paul Lehnert, Bob Giesy, Wesley and Bob Janes are all doing a grand job of producing the kind that will improve the herds of their new owners.

Here is the answer to your Polled Shorthorn buying problems. Travel where you may . . . visit as many herds as your time will allow . . . and you won't find as many outstanding individuals for sale at private treaty within any 500 mile radius as will be offered in this sale. These are TOP cattle . . . these are healthy cattle . . . and they are bred to reproduce their kind. The breeders who have supplied this offering deserve a large attendance and a good sale because they are providing the kind of cattle that will extend the popularity of Polled Shorthorns.

—Hal Longley of
The Shorthorn World.

We Invite You . . .

We cordially invite all lovers of Polled Shorthorn cattle to be guests at our farm on June 1st. Because the facilities at Lehnert Stock Farm are somewhat limited, we find it necessary to hold an auction sale of our surplus productions at intervals of about four years. On each such occasion we make a supreme effort to sell only those animals that are certain to do well for their new owners.

Although we feel that we sold very good cattle in our last sale and reports from buyers were very flattering, nevertheless we are certain that we are offering better individuals than ever before in our 1950 auction. Through the use of the great young sire, Montezuma x, we know that our cattle have made further improvement and the show ring winnings in recent years bear out this belief.

We are proud to be associated in this sale with Robert Giesy, our partner, and with the Janes Brothers whose herd, in our opinion, is one of the best in the country. We hope you will be with us on sale day.

Coronets Royal Command—In 1948 we bought the top cow in the Oakwood Stock Farm sale with the hopes of getting just this kind of a bull. He has a good head, is as deep bodied, thick and smooth as they come and a solid red. He is out of the same family as Collynie Compact (the bull that made a record at Cherry Hill). We have high hopes for his calves and he should really nick on Montezuma's daughters. Note that he has nine red ancestors and five rich roans in his pedigree. To also insure him as a great young sire, he has four International Grand Champions in his pedigree. This bull stood second in a strong class at our state show last fall. The bull that defeated him is now in service in Australia.

Montezuma x, our senior herd sire. A son of the International grand champion Coronet Command x. His get and service will be a feature of this sale.

Montezuma—This is the outstanding son of the 1941 International Grand Champion Coronet Command. He is every bit as good as his picture shows him to be. He has a great head, depth of body, wonderful spring of rib and is one of the breeds best. His calves are outstanding and are top winners wherever they are shown. The well known cattle judge Herman Purdy of Ohio State University rates this bull as an outstanding bull of the Polled Shorthorn Breed. Be sure to see him sale day and you will see that he has not been over described.

L S F ROYAL STANDARD—We bred this bull and also his sire. We knew he would take the guess work out of breeding for good heads and smoothness. This bull is now in service at The Peele River Land and Mineral Co. Ltd., Goonoo Goonoo, Tamworth, New South Wales, Australia. The first calf this bull sired was champion and top bull in the 1949 Ohio State Polled Sale. His calves have lived up to our expectation for good heads, smoothness and color. Several of them will be offered in this sale.

L G Royal Ringleader—This bull can speak louder for himself than words can describe him. Everyone remembers his dam who was top female at \$2400 in the 1946 Oakwood Sale. She is one of the top females of the breed. "Chucky" Leemon says this Beauty family is one of their very best. Note the bull's good head, thickness, depth and full quarters. After you check the bulls in his pedigree you will note four International Grand Champions that back him up. This bull is the nearest in make-up to his sire of any calf yet dropped on our farm. If we were not concentrating the blood of Coronet Command and needed a son of Montezuma, this bull would not be offered for sale. This calf can do some winning if shown. Many breeders who have seen him say he is one of the best young bulls to be sold in 1950.

L S F Royal Estelle 27th—A top daughter of Montezuma. If you want a beautiful colored rich roan, here she is. She was a member of our winning get-of-sire last fall. Stood fourth in a strong senior heifer class last fall being defeated by her half sister that won the class (L S F Royal Gloster). She is a full sister to the bull that was grand champion at the Alabama State Fair lastfall that is owned by O. J. Reynolds & Sons, Toney, Ala. If you want to breed the best, buy her. Safe in calf to Coronet's Royal Command. Calfhood vaccinated for Bang's.

L S F Princess Royal 101st—Is one of the most valuable breeding prospects to ever leave our farm. Being a daughter of Montezuma we regret to part with her. Her breeding is second to none. She comes from this great producing Princess Royal family that always win and sell tops for us. Note her depth of body, short legs and thickness. Her head looks like the head of a brood cow. A real prospect to show this summer. Safe in calf to Coronet's Royal Command. Bred Feb. 10. This calf should be a bell ringer. Calfhood vaccinated for Bang's.

Rosemary E—This granddaughter of the International Grand Champion Coronet Command looks like the making of a brood cow. This is a family that has done well in Genius Payne's herd. She carries the service of Montezuma.

Here are some more of the great heifers that were sold by Lehnert Stock Farm in their 1946 auction sale. These were all sired by Oakwood Royal Robin x. The Lehnerts are selling another very choice lot of individuals in this sale and they will all be profitable to their new owner.

Left—Quickstep Missie x is just one of the many outstanding females that was purchased for the foundation of the Janesway herd. She was grand champion female at the 1947 Ohio State Fair.

Right—The two animals shown in this picture, both sired by Oakwood Grand Duke x, won first prize for pair of calves at the Ohio State Fair. They were bred and exhibited by Janesway Farm.

Please Note . . .

Our sale is to be held at Lehnert Stock Farm on June 1st. The Ohio Shorthorn Breeders Sale will be held at the State Fair Grounds in Columbus on June 2nd. The two sales are only ten miles apart. Over 100 head of choice Polled Shorthorns will sell on these two days. We will gladly cooperate in the matter of assembling for shipment cattle bought in these two important sales.

Wouldn't you like to own them? All are selling in the Janesway consignment to this sale. From left to right they are: Janesway Dorothy x, Janesway Gloster 2d x, Janesway Winifred x, Janesway Missie 4th x, Janesway Rosewood 2nd x and Janesway Rosewood x. All are daughters of Oakwood Grand Duke x. Note the good heads and rich colors.

We Hope You Will Like Them . . .

This sale means a great deal to us because we have been planning for it since we laid the foundation for our herd in 1942. We try very hard to do things right at Janesway Farms. When we decided to enter the purebred Polled Shorthorn business we were determined to take advantage of every bit of improvement that had been worked in the breed up to that time. Accordingly we bought the top females from the greatest herds in the country. To find a bull capable of working still further improvement was a great task and, when we did find him, the price of \$5,000 did not seem to great to acquire him. We think Oakwood Grand Duke x has done a great job and we believe you will agree that he is an outstanding sire when you see the twenty-one young cattle sired by him in this sale.

We cordially invite you to come to the sale. The cattle we are selling were nearly all bred and developed on our farm. Your favorable reaction to the type and quality we are producing will mean as much to us as the amounts you pay.

Robert and Wesley Janes,
Chillicothe, Ohio.
